TO WHOM IT MAY CONCERN

I have known Richard Jones of Kaleidoscope Constructions for 5 years now, we have worked together on several residential and commercial projects. As a builder Richard is meticulous, and his work is of a high technical standard. Personally he is good natured and easy to deal with. He has proven to be reliable and seems to always have his clients best interest at heart.

Yours faithfully,

A handwritten signature in black ink, appearing to read "John Kantouros". The signature is fluid and cursive, written in a professional style.

John Kantouros
Structural Engineer
