To whom it may concern,

This letter serves to confirm that Richard Jones was employed with Zemar Pty Ltd from November 2008 until June 2009 as a Site Manager on our Pinnacle & Panorama Projects in Yeppoon QLD. The Pinnacle & Panorama Projects are two seven storey buildings comprising of 44 apartments built on a very steep site. Richard undertook the supervision and coordination of the structures once the Bulk Earthworks had been completed.

Richard always worked diligently, and showed that he was a trustworthy person throughout his employment with our Firm. Richard has shown great skill in understanding detailed areas and showed a strong knowledge in OHS issues and Industrial Relations. Richard has an eye for detail that is to be commended, as he is able to identify and scrutinize finishing details and problems.

I recommend Richard for all facets of construction work, especially when it comes to finishing detail. If you require any further information in regards to this reference, please do not hesitate to contact the undersigned.
